How It Started...

After their first son was diagnosed with Spina Bifida at birth, there were plenty adjustments that Brian and Donielle Watkins needed to make, but their son wanted to do anything and everything from Cub Scouts to soccer and baseball just like the other kids his age. D.R.E.A.M.S. was born so that special needs kids across Acadiana could be involved just like their son was and parents could have access to the resources they need to support their children.

Our Goals

Since 2007, our daily goal has been to support and involve special needs kids and their families. Through DREAMS Manufacturing Company, we are able to employ and support these individuals. The profits from our manufacturing company are helping support our biggest goal: Unity Village. Unity Village will be a self-funded community for special needs individuals with houses, a community center, and retail stores.

How To Support

★ General Donations

Monetary donations can be made by mail to 113 Oil Center Drive, Lafayette, LA 70503 or can be made with a credit card through our website.

★ Buy A Brick

To buy a brick to help us build Unity Village, you can go to our website to find the form, which will need to be mailed back to us.

★ Buy or Donate Meat Pies

For a full list of where to buy our meat pies, information on how to donate meat pies to St. Joseph's Diner, or how to volunteer please visit our website.

Dreams Manufacturing Co.

Founded in 2018, the DREAMS Manufacturing Company with the goal of providing more jobs to individuals with disabilities. With over 21 unique employees, job training and responsibilities are determined based on their capabilities. All profits from the meat pie sales are put towards the Unity Village and are making dreams come true one pie at a time.
